Nanotech Dubai 2015 - 2nd Edition brings together leading scientists, researchers, engineers, practitioners, technology developers and policy makers in nanotechnology to exchange information on their latest research progress, innovation and business opportunities. It's among the most important events in terms of international regulatory policies and it's opened to the participation of private companies. It's unique venue for companies to promote equipment and technology. The conference covers all frontier topics in nanotechnology. The conference includes plenary lectures and invited talks by eminent personalities from around the world in addition to contributed papers both oral and poster presentations.

## CONFERENCE TOPICS

- ◆ Advance Nanomaterials
- ◆ Fabrication, Characterization & Tools
- ◆ Nanotech in Life Science & Medicine
- ◆ Nanotechnology safety
- ◆ Nanoscale Electronics
- ◆ Nano for Energy & Environment
- ◆ Nano Applications
- ◆ Nanochemistry

## CONFERENCE AND JOURNAL PAPERS

The conference proceedings papers (8 pages) will be published in a special issue under an ISBN number within IOP Proceeding journals. Selected papers will be published in International Journals (with impact factor).

## CONFERENCE VENUE

Nanotech Dubai 2015 will be held in Dubai UAE which is one of the few cities in the world that has undergone such a rapid transformation - from a humble beginning as a pearl driving centre to one of the fastest growing cities on earth.

The 5\* luxury hotel  
JW Marriott Marquis Hotel  
The Tallest hotel in the world  
Sheikh Zayed Rd, Business Bay, Dubai
