Introduction

The European Graphene Forum - EGF 2017

Graphene, the single layer carbon based material, is transparent, flexible, and has excellent electronic properties. As it is called “the dream material,” graphene holds innumerable application potential. It is a material that still requires consistent research and at the same time it is a material that may hold the key to future electronics revolution with unlimited industrial value.

The 3rd Edition European Graphene Forum will be organized in Paris (France) from the 26th until the 28th of April 2017. This event will cover the latest technology developments, applications, commercialization progress, end user requirements and challenges for Graphene and 2D Materials. Don't miss on this great opportunity

Forum Topics

The EGF 2017 conference topics include:

- Fundamental Science of Graphene and 2D Materials Beyond Graphene,
- Growth, synthesis techniques and integration methods,
- Graphene modification and functionalization,
- Large scale graphene production and Characterization,
- Chemistry and biology studies of graphene,
- Graphene-based nanocomposites: recent scientific studies and applications,
- Applications of graphene and related 2D materials in electronics/ Flexible Electronics, photonics, spintronics, Optoelectronics and sensors,
- Applications of graphene in energy, including photovoltaics, energy storage, fuel cells and hydrogen storage,
- Application of Graphene in biomedical area,
- Graphene-related health and environment research,
- Graphene: Innovation and commercialization,
- Spectroscopies (Optics, Raman, EELS) and microscopies (HRTEM, STM, AFM)
- Quantum transport, magnetism and spintronics
- Theory and Simulation

Exhibition Opportunities

Why become an exhibitor

- Exhibiting provides a good opportunity to showcase your products and services and meet with key international Graphene players. This opens new business opportunities for your organization.
- Establish and strengthen your company's standing within the scientific community and maximize your exposure in the Graphene area.

Why become an exhibitor

The Exhibition packages include:

to explore the graphene potential. European Graphene Forum - EGF 2017 will feature:

- Plenary sessions with internationally renowned speakers,
- Industrial Sessions with focus on Graphene Commercialization,
- Extensive parallel thematic workshops,
- An International exhibition co-located with Smart Materials and Surfaces - SMS Europe 2017 Exhibition
- Brokerage event

The three events will be held at the same venue as the **SMS EUROPE 2017** which access open to all the events participants.

- Electricity Socket (220V)
- Logo of your company in the conference abstract book
- Logo, your company's short description and internet link at the conference web site

Exhibition Standard Package

Included with the Exhibition Standard Package:

- 6 m2 area with one table and 2 chairs
- 2 persons to attend the Exhibitor Stand with Coffee breaks and lunches included.

Fees
