Introduction

The international applied biotechnology conference: [Biotech France 2019](#) Conference & Exhibition will be held in Paris, France from 26 to 28 June 2018. This international event will reflect the full diversity of current biotechnology science advances in research and practice that open opportunities for exploitation of knowledge, commercially or otherwise, together with news, discussion and comment on broader issues of general interest and concern.

The aim of this conference is to foster the exchange of knowledge, experiences and ideas among scientists, academics, students, industry representatives and other professionals interested in biotechnology; and works to develop synergies and relationships that further advance the field. It will provide an excellent opportunity to all participants to establish networks, to share ideas and to form partnerships with biotechnology-based private sectors, equipment manufacturers, technology providers, and biotechnology associations, research institutes, universities, biotechnologists and biotechnology students.

The 3th edition of Biotech France 2019 will be organized jointly to:

- [Nanotech France 2019](#)
- [NanoMatEn 2019](#)
- [NanoMetrology 2019](#)

The conferences access is reserved for the registered participants (one registration allows the access to the four conferences). The exhibition access is free of charge and open to the large public.

Conference topics

The Biotech France 2019 program will present the most advanced issues in biotechnology and its related fields (health, cosmetics, food, energy, Environment, etc.), which will be discussed by a selected group of international scientists, Industrials and Investors. It will include the research, industrial and commercial aspects of biotechnology, in areas such as: Healthcare and Pharmaceuticals; Food and Agriculture; Biofuels; Environment and Biodiversity; Bio catalysis; Bioremediation and Process engineering.

The following areas and topics will be covered within the conference or focused sessions:

Biochemical/Bioprocess Engineering

- Applied Biology
- Biomolecular Engineering
- Bio catalysis & Biotransformation
- Bio Process engineering.
- Process Intensification
- Novel Approaches in Multifunctional Reaction Processes
- Chemical Reactor Fundamentals
- Metabolic Engineering
- Bioremediation
- Sewage Processing
- Microbial Degradation
- Cell and tissue engineering
- Bioprocess Control and System Engineering
- Bio-separation
- Product Design and Engineering
- Reactor Design

Pharmaceutical/ Medical Biotechnology

- Pharmaceutical, medical and molecular biology
- Biotechnology in diagnostics
- Biosensors
- Biotechnology in therapeutics
- Biomaterials
- Human and Animal Vaccines
- Phitotherapics

- Nutraceuticals
- Bio drugs
- Drugs
- Biotechnology in cosmetics

Environmental Biotechnology, Green Economy

- Bioenergy
- Biorefinery: bio compounds and biofuel
- Forestry Products
- Green Chemistry
- Green Cosmetics
- Green Energy
- Wastes and Effluents
- Pesticides

Food, Marine and Agro-Biotechnology

- Biotechnology to the Agriculture
- Food Safety
- Active principles of plants and cultivation
- Photosynthesis and Bio productivity
- Microalgae Cultivation and Photosynthesis
- Animal biotechnology
- Marine Biotechnology

Bio-economy/ Green Economy

- Biotechnology Accelerators
- Bio-law and Bio-ethic
- Bio policy and Bio education

Event venue

The four conferences and joint exhibition will be held at the [Palais des Congrès d'Issy les Moulineaux](#), located at **25 avenue Victor Cresson, 92130 Issy-Les-Moulineaux, Paris, France.**

Getting there

By public transport

METRO: Line 12, Mairie d'Issy station
RER: Line C, Issy Ville station
TRAMWAY: Line T2, Issy-Val de Seine stop
BUS: Lignes 123, 169, 190, 290, 323

Refer to **RATP web site** www.ratp.fr/en for getting around Paris with the public transport.

[Click here](#) or on the map to open the google maps location.

Exhibition opportunities

Why to become an exhibitor

- Exhibiting provides a good opportunity to showcase your products and services and meet with key international biotechnology players. This opens new business opportunities for your organization.
- Establish and strengthen your company's standing within the scientific community and maximize your exposure in the biotechnology area.

The Exhibition packages include:

- Logo of your company in the conference abstract book
- Logo, your company's short description and internet link at the conference web site

6 sqm shell scheme

Included with this exhibition package:

- 6 m2 shell scheme booth
- Exhibition space carpet (The choice of color to be determined for the whole of the trade show)
- Melamine partitions and aluminum frame
- Banner sign (with company name and stand number)
- Lighting rail with 1 spotlight per 3 m2 of stand
- One table and two chairs (Other furniture can be booked directly from the venue with extra fees).

fees

€ 2400

9 sqm shell scheme booth

Included with this exhibition Package:

- 9 m2 shell scheme booth
- Exhibition space carpet (The choice of color to be determined for the whole of the trade show)
- Melamine partitions and aluminum frame
- Banner sign (with company name and stand number)
- Lighting rail with 1 spotlight per 3 m2 of stand
- One table and two chairs (Other furniture can be booked directly from the venue with extra fees).

fees

€ 3150

Raw space booth

For Raw space booth, please contact us by Email at info@setcor.org and explain your requirement and we will advise accordingly.

Cancellation Policy

Your payment less 30 % of the chosen package rate will be reimbursed if a cancellation is received before Feb 28, 2019. 50% of the registration fee will be reimbursed, if a cancellation is received between March 1 and 29, 2019. No reimbursement will be made after March 29, 2019.

Sponsorship opportunities

	DIAMOND	PLATINUM	GOLD	SILVER
	€ 6 000	€ 4 500	€ 3 000	€ 2 000
Company banner (Roll up) in the plenary session room	✓	✓		
Company's logo and short description and web link at the conference web site	✓	✓	✓	✓
Company's logo in the conference program and book of abstracts	✓	✓	✓	✓
Advert in the conference book of abstracts	Full colour page	½ colour page	½ colour page	½ colour page
Speaking Slot in the conference (subject to the approval of an abstract by the scientific committee)	✓	✓	✓	-
Exhibition 9 sqm shell scheme	✓	✓	-	-
Conferences passes included (Attendee only, no presentation or poster)	2	1	1	1
Flyer insert in delegates bag	✓	✓	✓	✓

Additional sponsorship and networking opportunities

Printing on delegate bag Fee: € 2600

- Printing of sponsor's mono colour logo of the size 50mmx50 mm on the delegate bag.
- Listing of your company name and logo in the Conference Program/Abstracts booklet.
- Listing of your logo company name, short description and link to your company website on the conference website.

Sponsor's logo on lanyards Fee: € 2500

- Your company logo on the conference lanyard given to each delegate and worn throughout the conference.
- Listing of your company name and logo in the Conference Program/Abstracts booklet.
- Listing of your logo company name, short description and link to your company website on the conference website.

Opening Ceremony fees: € 2000

- Opportunity to give a short address at the conference opening ceremony.
- Listing of your company name and logo in the Conference book of abstracts.
- Listing of your logo company name, short description and link to your company website on the conference website.
- Delegate bag insert with flyer/brochure (This applies to light-weight materials only

– books etc. will not be inserted into delegate bags).

Registration Desk Sponsoring Fee: € 2000

- Your company standard Roll-up banner at the registration desk.
- Your promotional materials inserted into each delegate bag given to participants on site.
- Listing of your company name and logo in the Conference book of abstracts.
- Listing of your logo company name, short description and link to your company website on the conference website.

Conference lunch Sponsoring fee: € 2500

- Sponsorship of one of the Conference Lunches.
- Your company details in a Roll-up banner where the lunch will be taking place.
- Opportunity to give a short address at the beginning of the lunch.
- Listing of your company name and logo in the Conference book of abstract.
- Listing of your logo company name, short description and link to your company website on the conference website.

Delegate bag insert Fee: € 1000

- Your promotional materials can be inserted into each delegate bag given to participants on site. This applies to light-

weight materials only – books etc. will not be inserted into delegate bags

- Listing of your company name and logo in the Biotech France 2019 Program/book of abstracts
- Listing of your logo company name, short description and link to your company website on the conference website.

Sponsor logo display in the conference web site

Fee: € 600

- Listing of your company name and logo in the Biotech France 2019 Program/book of abstracts.
- Listing of your logo company name, short description and link to your company website on the conference website.

Printing advertising

Advertisement published in final program/Abstract booklet in full page and colour

Back Cover	€ 3500
2 nd Cover (the page after of the front cover)	€ 2500
3rd Cover (the page before the back cover)	€ 2000
Inside page	€ 1500
